UCD MEDICAL ALUMNI GALA REUNION 2013

FOR GRADUATES OF:
1953, 1958, 1963, 1973, 1983, 1988, 1993 and 2003

WELCOME

Dear Medical Graduates,

It is my very great pleasure to welcome you to the 2013 UCD Medical Alumni Gala Reunion for the classes of **1953, 1958, 1963, 1973, 1983, 1988, 1993** and **2003**. The School aims to provide a greater level of support to our Alumni, and together with the Medical Graduates Association, wishes to ensure that you have a solid mechanism for staying in touch with each other. The social and professional networks you formed with your class group during your studies at UCD will have played a large role in who you are today and I can think of no better way to celebrate this time than reuniting for this special event and re-forging those links.

The event will commence with student-led tours of the new Health Sciences Centre, Belfield, which houses our state-of-the-art Medical School. This year's tour will include a viewing of the Kevin Barry Window which was unveiled first in 1934 in Earlsfort Terrace to commemorate the First Year Medical student who was executed at the age of 18 for his part in the War of Independence. The much loved Kevin Barry Window was restored by the Terrace Graduates Fund to preserve this historical artefact for successive generation of UCD students. As the window was paid for by UCD Medical students, its new home is located in a specially designed atrium adjacent to the Medical School.

Following the tours, the UCD Medical Graduates Association will hold their Annual Scientific Meeting. All talks will be CME accredited and will be given by graduates of the celebrating years. A Gala Dinner follows on the evening of Friday 3rd May providing you with the opportunity to reminisce on your days at UCD in style.

This is an important annual occasion for the UCD Medical School and I hope you will join us in our celebrations.
