# LAW RECRUITMENT FAIR

**Dear Student,**

**Welcome to UCD's sixth Law Careers Fair which has been organised by staff at the UCD Career Development Centre.**

UCD has a strong tradition of supplying the legal profession with first class graduates who progress to become leaders in government, the judiciary, industry and commerce. While the current economic situation within Ireland and further afield is cause for concern, it is important to note that there are vacation placements, internships and graduate positions available locally and in cities such as London where UCD graduates compete well against their UK and other European peers.

It is particularly important that you make time to network effectively at this event - find out about employers you are interested in, the specific sector(s) they specialise in and how they stay ahead of their opposition. Resist any temptation to collect recruitment brochures and find out why the exhibitors like working at their firm and explore with them how the firm supports and develops staff. You can always read the brochures later and do your research on-line but it is unlikely you will have access to so many legal practitioners and recruitment experts again. Always remember, that in addition to your academic achievement and your employability skills, recruiters are looking to see if you are commercially aware - understanding their business and the environment in which it operates.

Whatever your needs - career exploration and research, meeting professional bodies and providers of professional legal education or finding out how to make the best possible applications for jobs, the Law Careers Fair has something to offer you.

After the Fair, remember to make use of UCD Career Development Centre which is situated in The James Joyce Library Building and visit our website at [www.ucd.ie/careers](http://www.ucd.ie/careers) to access our on-line services. Follow us on Facebook at [facebook.com/ucdcareers](https://facebook.com/ucdcareers) and on Twitter at [twitter.com/ucdcareers](https://twitter.com/ucdcareers)

Best wishes as you explore career opportunities brought to you by the team at UCD Career Development Centre

**Dr David Foster**

UCD Director of Career Development and Skills

## RECRUITMENT FAIRS & EMPLOYER PRESENTATIONS

Often the first contact a student makes with an employer at a fair or presentation leads to important connections and career opportunities. You can find an up to date schedule of recruitment fairs and employer events taking place on campus on our website [www.ucd.ie/careers](http://www.ucd.ie/careers). We also publicise events via Facebook and Twitter.

## FINDING VACANCIES

Careers Connect is the home of our graduate vacancies and internships database and is open to both UCD students and graduates. Current UCD students/recent graduates with an active UCDConnect account should be able to log in to the site using their UCDConnect username and password.

## ONLINE RESOURCES

The UCD Career Development Centre provides access to a range of online resources free of charge to University College Dublin students and alumni. To use these tests, you'll need three codes: client code, access code and password. Please login to your Careers Connect account to access this facility and the codes required under the 'Online Resources' section.
