The UCD Career Development Centre Weekly Update

Volume 1 Issue 2

February 22nd 2010

CAREERS SEMINARS

The Career Development Centre team is hosting daily seminars here in the centre on careers-related topics over the course of the coming weeks. The seminars are open to all students, but as spaces are limited, we ask that students register to attend in advance with the reception desk at the centre. The following seminars are scheduled for this week:

Tuesday 23rd February @ 12pm: Writing Personal Statements.
Thursday 25th February @ 1:30pm: Graduate Studies.

SPOTLIGHT - IBEC Export Orientation Programme

The IBEC Export Orientation Programme (EOP) is Ireland's longest-running graduate placement programme. EOP provides graduates of all disciplines with a valuable introduction to international business in a sector relevant to their qualifications.

The EOP is also the only graduate programme to offer internationally recognised accreditation at level nine on the HETAC scale. This means that candidates who wish to participate in the accreditation process can combine their placement with academic study, leading to a potential MSc in International Business Development.

Further information and application details can be found at www.ibec.ie/eop.

The closing date for applications is Wednesday, February 24th 2010.
