To the Students of UCD,

WELCOME to the 2010 Internship and Volunteering Fair organised by staff at the Career Development Centre.

Given the global economic situation, we are pleased to bring together a range of exhibitors interested in recruiting UCD students into volunteering and intern positions.

This event presents students with an ideal opportunity to access a range of personal and career development activities, to develop key transferable skills sought by graduate recruiters and to network with recruiters. As employers increasingly seek to recruit students who have "made a difference" through engaging in clubs, sports, volunteering and internships, be sure to attend and take time to review the range of options on offer.

Access to the full range of volunteering and internship opportunities on offer can be located by using our information and vacancy resources at the Career Development Centre in the Library Building and by going online at [www.ucd.ie/careers](http://www.ucd.ie/careers)

The Career Development Centre consists of a small team of staff, David Casey, Deputy Director, Ena Maguire, Careers Adviser, Iarfhlaith Ó hAllmhuráin, Information Officer, Jessica Coyle, Vacancy and CRM Co-ordinator and Deirdre Brennan, Events and Employer Liaison. I would like to thank all members of the team in organising and delivering this Fair to students at UCD.

Please do make use of the information and services on offer at the Career Development Centre as you plan for your future,

Dr. David Foster

Director - Career Development Centre
