

“Ireland’s Future Food Systems”

9.00am-4.00pm Wednesday 4th December 2024

G-15, Lecture Theatre, UCD School of Agriculture and Food Science Centre

Poster Abstract Submission Form

Instructions	
<p>The Symposium poster session, open to Early Career Researchers, will provide an opportunity to share expertise and highlight research focused on future food systems in Ireland and elsewhere. Posters will be displayed in the foyer of the Agriculture and Food Science Centre. Posters abstracts must be submitted using the Poster Abstract submission form, and entitled ‘Abstract(AuthorName).docx’ to chanemouga.arunachalam1@ucd.ie by 5pm Friday 26th November. Posters will be reviewed to ensure they fit within the Symposium theme. We do not require a specific poster format, where you have a suitable poster printed from a previous research event, we encourage you to use it. A0 or A1 posters are acceptable.</p>
