international.study.abroad@ucd.ie

► Why choose this Programme?

Designed specifically for undergraduate students in Engineering, Science, Agriculture and Business, this two-week experience immerses you in the vibrant academic and cultural landscape of Ireland's leading university. Enhance your knowledge, explore new perspectives in your field and embrace life in an English-speaking university.

► Programme Highlights:

1. Innovation & Enterprise: Unleash your entrepreneurial spirit in hands-on workshops designed to foster creative and critical thinking.
2. Design Thinking for Life: Learn practical design skills for problem-solving, innovation and teamwork.
3. Discover Ireland & Europe: Immerse yourself in Irish culture and connect with Europe's rich heritage through local excursions.

► What will you Gain?

Learning Outcomes - Through this programme, you will:

- Engage in Innovation Workshops that foster collaboration, creative problem-solving and entrepreneurial thinking.
- Network with peers to exchange ideas about how academics and student life intersect across disciplines.
- Meet experts and leaders from various academic and industry fields to gain insight into professional life in your area of study.
- Experience Ireland's unique culture and learn about its growing role in Europe.
- Access UCD's top facilities, including study spaces, project rooms, lecture halls and student recreation areas on the Belfield Campus.

► Interactive Learning Approach - Programme Delivery

- Collaborative & Enquiry-Based Learning: Learn by doing in an engaging, international environment.
- Small-Group Projects: Engage in breakout discussions and team exercises.
- Experienced Tutors: Achieve course goals, including a project presentation and personal learning portfolio.
- Explore Dublin: Manage your schedule to visit Dublin's landmarks, immersing yourself in Irish history and modern life.

▶ **Programme Completion - Upon completing the programme, you will:**

- Present a Project in English with your group, enhancing both your language and professional skills.
- Complete an Learning Portfolio to track your progress and achievements.
- Receive a Certificate of Participation from UCD, a valuable addition to your academic portfolio.

▶ **Accommodation: Your Home on Campus - UCD Village Residences**

Stay in the heart of UCD's Belfield Campus in self-catering apartments. Each apartment includes six study bedrooms, each with a private ensuite, plus a shared kitchen and living area. Wi-Fi and campus facilities, including cafes, restaurants and food stores, are all within walking distance of your classes.

▶ **Student Testimonials**

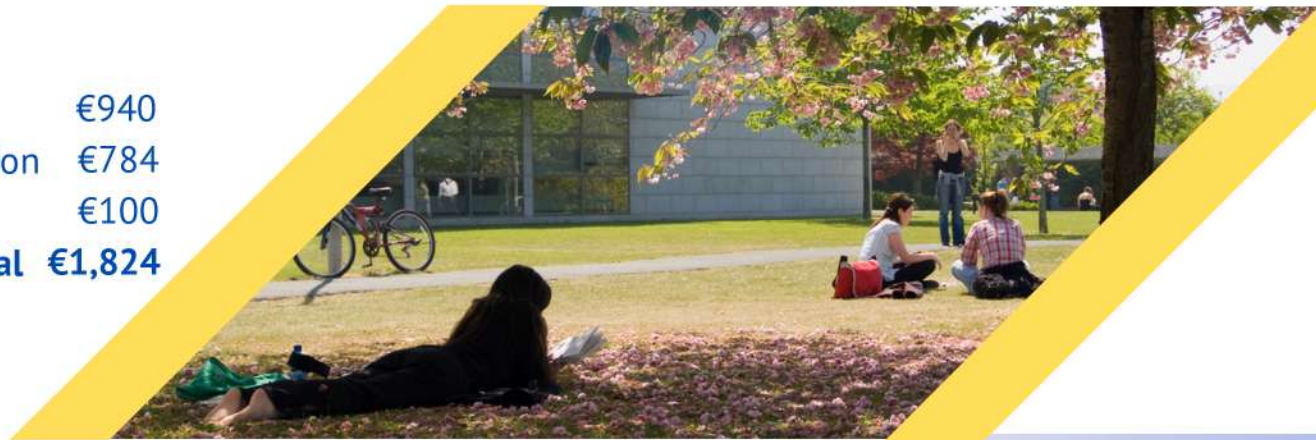

"The Innovation workshops are very good because it changes the way to think about things"

"Ireland is a country with distinct and appealing culture, beautiful natural environment and friendly residents"

"Meeting professors from my major and asking questions was very valuable"
