

CT ACADEMY

20-21 June 2024

This CT Academy is aimed at Radiographers who have not yet completed formal postgraduate studies in Computed Tomography (CT) but have either undergone 'in-house' training in CT, or have an interest in training or specialising in CT.

Course Features

- Explore current and recent developments in CT technology
- Review the fundamentals of operating parameters and CT image quality
- Explore practical considerations in radiation protection and dose reduction
- Review cross-sectional anatomy and routine clinical protocols
- Sessions delivered by experts in the field
- Certificate of completion

Booking

Fees: €280 (2 day course)
20-21 June 2024
