

Prescribing Programme Timetable Jan 2025 (DRAFT Stu. V. 8th July 2024)*

Modules:

- NMHS33140 Prescribing Practice Context
- NMHS33150 Clinical Practicum Prescribing
- NMHS332170 Pharmacology: Nurse-Midwife Prescribing
- NMHS43980 Advanced Health Assessment

*NB:

1. **This is a rough draft only.** All dates and times are provisional and subject to change. It is the students responsibility to monitor the UCD Sisweb timetable for timetable changes
2. If you are intending to register to X642 Professional Diploma Prescription of Medication, you are NOT required to attend module NMHS43980 Advanced Health Assessment
3. Weeks 3, 5 and 7 are live online
4. All face to face lectures are live streamed and recorded. However you are strongly encouraged to attend all lectures in person – if funded by the HSE 100% attendance is required.
