

Clinical Lecture Series

2024/25

This lecture is hosted by University of Limerick

Wed. 4 Dec 2024

0830 - 0930

Speaker: Prof Karen McCreesh

Title: Optimising Exercise for Rotator Cuff Disorders

Register at [ISCP.ie/events](https://www.iscp.ie/events)

Karen is Professor in Physiotherapy at the School of Allied Health at the University of Limerick. She has an extensive track record in shoulder pain research, with a multitude of peer reviewed publications in leading journals. She has been awarded over €1.5m in research funding and leads a team of 3 PhD and 2 post-doctoral researchers within the Health Research Institute at UL. She is the founding Chair of the Irish Shoulder & Elbow Rehabilitation Society, and member of the Education Committee of the European Society of Shoulder & Elbow Rehabilitation.

SAVE THE DATE

The Clinical Lecture Series is in its third year

Dates & time

0830 - 0930

4 December 2024

5 February 2025

5 March 2025

2 April 2025

Register at [ISCP.ie/events](https://www.iscp.ie/events)

This is a collaboration between the five Irish Universities that deliver Physiotherapy Prequalification Education in Ireland, and the ISCP.

You are invited to attend in recognition of your support for student placements. Please share this with your team. If you're interested in building further links with universities to support placements, we'd love to hear from you.

All sessions are presented live and recorded for on demand viewing via the ISCP CPD channel. The details will be in the PDU ezine, circulated on the last Thursday of each month.
