

UCD REGISTRY

Elective Allocation - 16 September 2020

Dear Colleague,

On **Wednesday, 16 September 2020**, we will allocate places to **Elective modules** for continuing undergraduate students.

To facilitate this process, **online module registration will close at 12 noon** for all students and reopen on a phased basis between 5pm and 7:30pm. Students will still be able to confirm registration and complete Step 1 of online registration.

This information has been added to both Student and Registry Key Dates.

Students will receive an email on 16 September to say if they have been successful in getting a place or not in their chosen Electives.

Please note that **SFAREGS (in Banner) should not be used** for manual registration to modules between 12 noon and 7:30pm on 16 September. You will be able to look at records during this time but not make changes.

Kind regards,

Ryan Teevan
