How to apply to UCD?

1. Choose your preferred programme on the UCD Course Catalogue

2. Once you have selected your preferred programme, click on the 'Apply' button.

T070 MEngSc in Biopharmaceutical	Commencing September 2025	Full-Time	Graduate Taught	APPLY
Engineering Master of Engineering Science				

3. You will be directed to the below login page:

If you have never applied to study at UCD before, click on Create Account and follow the instructions shown to you on the screen and by email.

Once your account has been created, you will receive an email from UCD IT Services with your login credentials.

To continue with your application, you should click on the 'Continue' hyperlink embedded in the email.

Once you have logged into your account, you will see the application form for the programme you had selected (see below for example).

MEngSc Biopharmaceutical Engineering FT (T070) - Graduate Taught
