## UCD REGISTRY

### Upgrade of Banner Completed

**To:** *All Banner Users*

Dear Colleague,

We successfully completed the upgrade of Banner over the weekend as part of our preparations for moving to Banner 9. All systems are back online.

Banner 8 remains in use for now and you can access it in the usual way through UCD Connect. You should expect to start using Banner 9 in mid-April and we will communicate the date to you in advance.

There is Banner 9 support and training information available on the [Registry website](#) and we will be updating this regularly.

If you are accessing Banner outside of UCD, remember to use the [Staff Virtual Private Network \(VPN\)](#).

Regards,

Ryan Teevan  
Deputy Director of Administrative Services  
UCD Registry
