Post Duration:	Specified Purpose contract estimated duration 36 months
Line Manager	Assoc Prof. Vivienne Duggan
Grade:	95 Lecturer/Asst Professor (Above the Bar)
Competition Ref. N^o	017868
HR Administrator	Qiong Zhang

Position Summary:

The School of Veterinary Medicine, University College Dublin seeks to appoint a temporary Lecturer Assistant Professor in Large Animal Surgery. The duration of the appointment is for 36 months.

The candidate will join a team of 3 other Large Animal Surgeons (1 full-time and 2 part-time) and 2 Doctoral Students (ECVS residents) within the Section of Equine Clinical Studies, Diagnostic Imaging and Anaesthesia and the UCD Veterinary Hospital. The successful candidate will work as part of a large multidisciplinary team in the large animal /equine clinic.

The successful candidate's role will involve primarily clinical service teaching and administration, with opportunities and support to pursue research. Lecture delivery and on-clinic group and one-to-one teaching of undergraduate and graduate veterinary practitioners (MVB) and veterinary nursing (BSc) forms a key component of the role.

Principal Duties and Responsibilities:

- Acting as a Senior Clinician, independently providing a referral surgical service.
- Providing high quality, evidence-based management of a variety of elective and emergency surgical cases, including advanced imaging and equine dental treatment.
- Participating in the hospital's rota for out-of-hours work (at present on 1 in 3 rota).
- Supervision of Doctoral students/ECVS resident training.
- Active participation in undergraduate and post graduate teaching of veterinary medicine and veterinary nursing students.
- The appointee will be expected to contribute/develop a research programme leading to grant applications and publications in refereed journals. Research collaboration with other scientists is encouraged.
- The appointee will contribute as a member of the Section and School committees to the successful functioning of the organisation.
- Participation in Continuing Professional Development activities.
- To undertake any other reasonable duties as required by their line management.

95 Lecturer/Asst Professor Above the Bar (7943) Salary Scale: €62,855 - €99,533 Per Annum

Appointment will be made on scale and in accordance with the Department of Finance guidelines.

Details on eligibility to compete and pension information is available at

UCD welcomes applications from everyone. We are committed to creating an environment where diversity is celebrated, and everyone is afforded equality of opportunity. Learn more about Diversity at

<https://www.ucd.ie/workatucd/diversity/>

Reasonable accommodations will be provided to any applicant during the interview process who discloses they have a disability or are neurodiverse.

Selection Criteria

Selection criteria outline the qualifications, skills, knowledge and/or experience that the successful candidate would need to demonstrate for successful discharge of the responsibilities of the post. Applications will be assessed on the basis of how well candidates satisfy these criteria.

Mandatory:

Experience and Qualifications

- A Veterinary Degree registerable with the Veterinary Council of Ireland.
- A specialist qualification in Veterinary Surgery, namely the European College of Veterinary Surgery Diploma (DipECVS).
- Clinical experience in Large Animal/Equine surgery, ideally within an academic environment.
- A willingness to participate in out of hours service provision.
- Experience in supervision of residents and postgraduate students.
- Experience and genuine interest and enthusiasm in teaching and learning.
- Effective interpersonal skills and ability to work as a team member.
- Excellent written and oral communication skills.
- Computer literacy.

Mandatory Criteria as part of the UCD Equality, Diversity and Inclusion Agenda

- Candidates must demonstrate how they can positively contribute to fostering an inclusive environment and a level of awareness of equality, diversity and inclusion.

Desirable:

- A post-graduate doctoral qualification obtained or currently enrolled.
- Proven managerial and leadership skills with the ability to self-motivate and motivate others.
- Large animal surgery experience.
