Post Title & Subject Area (if relevant)	Veterinary Nurse
Post Duration:	24 months (and creation of subsequent 12 month temporary panel, Panel T&C apply)
Line Manager	Head Nurse or Nominee
Grade:	Career grade level Veterinary Nurse
Competition Ref. N^o	018024
HR Administrator	Julie Breen

Position Summary:

UCD Veterinary Hospital (UCDVH) is seeking to appoint a career grade veterinary nurse for Veterinary Anaesthesia department to provide a high standard of nursing care by assuming shared responsibilities for a specific discipline team and by helping to co-ordinate patient flow through hospital services.

Candidates must hold a Veterinary Nursing Qualification registerable with the Veterinary Council of Ireland.

Successful applicants will be placed on a panel to fill current and future temporary vacancies for a period of up to 12 months after the interviews are held.

Principal Duties and Responsibilities:

1. Nursing duties

- Provide a high standard of nursing care within the Anaesthesia discipline carrying out specific advanced nursing procedures at the direction of or under the supervision of a veterinary practitioner as permitted within *Part 8* of the Veterinary Practice Act 2005.
- Help co-ordinate the nursing support for the department
- Participate in nurse led services
- Maintain a high standard of hygiene, cleanliness and organisation with emphasis on infection control for patients, staff, students and visitors to UCDVH

2. Administration duties

- Ensure effective communication between discipline teams and management
- Help co-ordinate patient flow through hospital services
- Participate in helping prepare rosters and managing daily logistics, stock control and purchasing using e-procurement
- Assist in equipment maintenance, repair and co-ordination of service contacts
- Help create and implement local protocols and participate in developing hospital protocols
- Ensure infection control policies are adhered to at all times
- Ensure Health & Safety policies are adhered to at all times

3. Teaching & training

- Supervision and training of veterinary medicine and nursing students
- Supervision and training of junior (rotating) nurses
- Assessment of veterinary medicine and nursing students
- Demonstration and training of practical nursing skills
- Instruction in nursing care
- Instruction in the use of hospital equipment
- Delivery of in-house teaching and CPD
- Participation in UCDVH annual conference

Particular to this position:

You will be required to work 36.5 hours per week over 5 days during the week between Monday and Sunday. Weekend and weekday out-of-hours working may be required on a rota basis. Start and finish times will vary depending on the needs of the hospital. The actual allocation of these hours of work will be arranged with your line manager.

Salary: Vet Nurse Career Grad (7928) € 36,006 - € 46,560 per annum.

Appointment will be made on scale and in accordance with the Department of Finance guidelines.

Details on eligibility to compete and pension information is available at

<https://www.ucd.ie/hr/resourcing/eligibilitytocompete/>

UCD is committed to creating an inclusive environment where diversity is celebrated, and everyone is afforded equality of opportunity. We welcome applications from everyone, including those who identify with any of the protected characteristics that are set out in our Equality, Diversity and Inclusion policy. Learn more about Diversity at

<https://www.ucd.ie/workatucd/diversity/>

Reasonable accommodations will be provided to any applicant during the interview process who discloses they have a disability or are neurodiverse.

Selection Criteria

Selection criteria outline the qualifications, skills, knowledge and/or experience that the successful candidate would need to demonstrate for successful discharge of the responsibilities of the post. Applications will be assessed on the basis of how well candidates satisfy these criteria.

Mandatory:
